

Laundry Powder

🕒 5 minutes

Makes 1.2kg

This non-toxic and packaging-free laundry powder is perfect for warm-hot washes. Use one small scoop of powder per wash. (Not suitable for wool or silk clothing).

Ingredients

3 cups washing soda

3 cups borax

2 cups natural soap flakes, or grated
natural soap

20 drops essential oil of choice (a
combination of orange, lavender and
eucalyptus oils makes a pleasant fresh
linen fragrance)

Method

1. Combine all ingredients in a large bowl and, with protective gloves, mix to combine. Be careful not to breath in the powder as you are mixing it; Wearing a mask is advisable.
2. Transfer the powder to a canister.
3. Use one small scoop per wash (save a scoop from a previous laundry powder or use two tablespoons of powder).
4. To ensure that all ingredients dissolve in the wash, this powder should be used with warm to hot water.
